

# MOBILE DRAFTS UNIT

REAL-WORLD TRAINING • NO WASTED WATER • NO RUN-OFF

**PumpPodUSA**  
**DRAFTS UNITS** allow  
firefighters and en-  
gineers to train and  
practice pumping  
using static connec-  
tion and all nozzle  
types, allowing the  
flow of unlimited  
amounts of water  
with our *Passive  
Cooling Screen &  
Recirculating tech-  
nology.*
